OIT-0677-86  
8 August 1986

MEMORANDUM FOR: Associate Deputy Director for Administration

FROM: [REDACTED]

Chief, Management and Consulting Group, OIT

SUBJECT: Waiver for Procurement

The attached is a procurement request for a contract with [REDACTED] to provide Systems Integration (SI) support for the OIT planning process. This SI effort is a high priority program to provide badly needed technical management support to OIT senior management. This has been in the planning process for some time, but is now finally reaching fruition. OIT will be continuing this effort in 87, but wishes to begin the process now. A waiver is requested so that this will not have to wait until 87 to begin.

MEMORANDUM FOR: Associate Deputy Director for Administration

FROM:

[redacted]  
Chief, Management and Consulting Group, OIT

SUBJECT: Waiver for Procurement

The attached procurements are for a perpetual site license for the [redacted] software facility for 15 Agency computer processors and is being installed to support DI requirements. [redacted] for this procurement is OIT money and [redacted] is OIR money. This request was tied up in several requests to the DI and has just been resolved. As you can see, the date on the form 1716 from the DI is 23 July. A waiver is requested so that this may be procured with 86 money.

MEMORANDUM FOR: Associate Deputy Director for Administration

FROM: [REDACTED]

Chief, Management and Consulting Group, OIT

SUBJECT: Waiver for Procurement

The attached procurement is for a site license for a benchmarking software facility for OIT. The new Corporate Database System, and specifically IDMS (data base management system), are based on the 3270 protocol. A software tool is needed to benchmark this system under this protocol. Until very recently, OIT was unable to find such a tool, but has now found VM Performance Analysis / Capacity Evaluation Subsystem (PACE). OIT needs this tool as soon as possible to test the Corporate System. A two month delay would severely impact this effort. A waiver is requested so that this may be procured now.

MEMORANDUM FOR: Associate Deputy Director for Administration

FROM:

Chief, Management and Consulting Group, OIT

SUBJECT: Waiver for Procurement

The attached procurement requests are for maintenance of Xerox 2700 Laser printers for the remainder of this fiscal year. These printers are in the DI, but maintenance is handled by OIT. A waiver is requested for this action so that the required maintenance can be paid for.

MEMORANDUM FOR: Associate Deputy Director for Administration

FROM:

Chief, Management and Consulting Group, OIT

SUBJECT: Waiver for Procurement

The attached procurements are for an testbed facility for OIT in support of a special project for the DO. This has been an unfunded requirement in OIT and on 31 July, D/OIT approved the reprogramming necessary to support it. A waiver is requested so that this equipment, software, and maintenance support can be procured with the reprogrammed funds.
